

INAUGURAL

Kitchen  **KARMA**

C L A S S I C

BENEFITING
CRYSTAL LAWRENCE

SOUTHWEST KITCHEN
& TEQUILA BAR

Greetings friends!

All of us in the SOL Southwest Kitchen family would like to announce our Inaugural Kitchen Karma Classic Golf Tournament, Monday, November 6th at Summerville Country Club. Please join us as we dedicate this year's tournament to the family of Crystal Lawrence, who recently lost her battle with cancer. Crystal was a beloved family member, friend and colleague, but if you didn't know her, we encourage you to take a moment on the next page to understand why we're dedicating our inaugural tournament to her.

November 6th will be a fun day on the links and a celebration of Crystal's life. Please fill out the attached registration form and submit payment at the Summerville SOL location by Friday, October 27th. Entries will be on a first come, first serve basis until our goal of 32 teams is filled.

Our inaugural tournament promises to be a great day for everyone participating, but most importantly it will provide some financial assistance for medical expenses incurred by Crystal's family. Your involvement either as a player, hole sponsor or by making a donation will have a huge and direct impact. We cannot thank you enough for your participation and we look forward to seeing you on the course.

Sincerely,

David, Joe & Andy

David Clark, Joe Sciortino, Andy Palmer

Partners, SOL Southwest Kitchen

ABOUT CRYSTAL

Crystal Janiece Lawrence, 26, of Summerville, passed away on September 29, 2017 at her mother Belinda Garrison and step-father Mark Garrison's home. Born in Charleston, Crystal worked in the LowCountry's restaurant industry, most recently at SOL Southwest Kitchen and Tequila Bar in Summerville as a bartender.

Crystal loved serving others, building relationships and sharing her charismatic and outgoing personality with everyone around her. It's no surprise Crystal found her niche in the hospitality industry. Her passion and drive to create memorable experiences reached far beyond her bar regulars. She never encountered a stranger because her love for people exuded a sense of belonging and her incredible ability to engage and bring people together with that bright, contagious smile and quirky demeanor made her such a special and unique woman.

Crystal grew up playing softball where she developed her fervor for sports, competitive nature, and resilience. She was a huge fan of the USC Gamecocks, Carolina Panthers and Boston Red Sox. She graduated from Stratford High School in 2008. Crystal was a born leader. She was diagnosed last year with sarcoma in her chest but given her work ethic, positive attitude and genuine outlook on life, you would never know it. She had the tumor removed and received radiation treatments all while working and sharing her amazing energy to combat this relentless disease with confidence and tenacity. She worked every shift with a smile and a positive attitude. She never complained or asked to be treated differently. When we found out she went in to remission, we couldn't have been more proud and thankful. We knew she was a remarkable woman and deserved this new lease on life. Crystal stood up for those who needed a voice. She put forth every effort at work and in her relationships. She was a devoted and compassionate friend, colleague and daughter. She gave selflessly. She loved her family and her mother, Belinda, was her best friend. Six short weeks later, the cancer returned in her lungs but Crystal continued to go above and beyond in all aspects of life, providing support and encouragement where needed and never allowing her struggles to hold her back. Crystal represents the true definition of a fighter. She touched an entire community exhibiting superior strength in the face of adversity each and every day. And, despite her battle with cancer, she still lived with the following in her heart, "Do good, act with kindness, respect everyone and everything, exude peace and love. That is how I live my life. I believe you do good and good will come to you." She is an inspiration and her beautiful and kind spirit will be missed immensely. Please help us in sharing her amazing energy and resolve to combat the ones she loved, the ones who sacrificed the most, her family.
