From the Office

What a beautiful sight we had at the club the first week of 2018! Seven inches of snow and ice for several days certainly did cause a very long frost delay :) !!!

We are excited for the spring and can already feel the difference in golf attitudes with each sunny day.

We said farewell to Mr. Fred Gartenbush on January 22. He was a long time member, avid fisherman, and helped us at the club with various repairs until his tragic accident that left him paralyzed several years ago. Fred had an awesome attitude of gratefulness that was so apparent when speaking to him - not letting his wheelchair slow him down. We will miss his deep heartfelt laugh and his friendship. Our sympathy goes to his wife, Sandy, and all of the family.

The 2018 SCGA GHIN \$25 handicap fee was billed to all members currently enrolled in the GHIN system. If you would like to inactivate your handicap for the year please send me a note or e-mail before March 15th to receive a credit for the fee. As a benefit of being a club

member, you can join the handicap system at anytime by calling Bray or me.

If you are interested in receiving e-mails from the club, to include your statement, please send me an e-mail with your permission to transmit your information by the web. We are slowly moving to a more computer friendly and efficient accounting service and appreciate your patience as we work toward our goals to provide you all with the best customer service possible.

Thanks for your support and looking forward to a great year,
--Suzanne

January was quite interesting. We had seven inches of snow followed by a few 70 degree days. The course made it through and we're now looking forward to February. First off is the Annual Powerball event on February 4 with a 12:30 shotgun start. This is a four player captains choice with a powerball twist. This will be a fun event and included in the \$60 entry fee is an oyster roast after play. This is also the first event to count towards 2018 player of the year standings.

Several new products will be launching in the next month including Taylormade's M3 and M4 woods, Ping's G400 Max woods, Callaway's Rogue lineup, new Titleist and Callaway golf balls and much more. Special orders can be customized to help match your game better than clubs straight off the rack. We can also accept trade-ins toward new purchases. I hope everyone had fun with the snow and we look forward to kicking off the 2018 tournament series on February 4 with the Powerball.
