I hope everyone who participated in the shamble over the summer had a good time. We had a steady turnout all summer and saw a lot of different winners. Be sure to check out the player of the year updated standings in the pro shop. Chris Asbell is leading right now but has a few right on his tail. I have some cool ideas for player of the year standings and how they will affect certain club tournaments and will go over all of this as well as this year's awards at the year end Christmas party.

Our next big event is the Cuthbert Classic on October 30. I expect a huge turnout for this two person captain's choice event so grab a partner and sign up in the pro shop today - if you don't have a partner sign up in the pro shop and we will pair you with another single.

I am going to have an end of Summer sale on Sunday, October 16, that will include select shirts, hats, golf balls, and other accessories in preparation for the winter months.

Lastly, good luck to all the seniors competing in the Senior Club Championship and President's Cup this week. Results will be posted in next month's newsletter.
