From the Office

We lost a very dear friend on December 6th, Mr. Ken Price. He and his lovely wife, Suzanne, have been members for a very long time. Our deepest sympathy is extended to all of his family.

We celebrated the November marriage of Sandra Loy to Mark Meyers on Dec 23rd at the clubhouse and many members came by to wish them happiness and love in their new life together. We had a wonderful evening with our members and employees at the Christmas dinner of Dec 11. The food was outstanding and we thank everyone for bringing their favorite dish to share. Special thanks to Santa (Stephen Chellis) who made several kids (and adults) very happy with his "HoHoHo" good cheer and candy canes!!

The GHIN handicap system should be operating by mid-January and a new all-in-one handicap computer is available in the pro shop for posting. The \$25 annual handicap fee for all adult golfers using the system will be billed on Feb 1st. Your Golfnet information is being transferred to USGA and new handicap numbers will be assigned by GHIN. We anticipate an easy transition once the site is up and running.

Thank you again for your support and wishing you and your family a very happy and prosperous New Year!
Suzanne and Jo-Ann

Congratulations to Bonnie Martin, our 18-hole Ace of the Year and to Malissa War, our 9-hole Ace of the Year! Terrific playing, ladies.

Sissue Beauchene has been named our Most Improved Golfer for 2012. Congratulations, Sissue!

Our Par 3 Tournament was cancelled because of bad weather, but we had a terrific lunch provided by our catering staff. Sandra Meyers was in charge of our tournament, but had many prizes to give our even if we did not play. It was a fun and festive Christmas luncheon. Thanks, Sandra!

On January 10 at 9:30 AM, we will meet in the ladies' lounge to discuss our plans for the New Year. If you cannot attend but have ideas, please let someone know so it can be discussed.

And others ...

Mr. Lou Moffa shot a 77, four under his age, on Dec 15

I want to start off by wishing everyone a Merry Christmas and happy holiday season. Hopefully we'll get a few nice days in the the winter for golf and everyone can try out their new equipment. I'd like to congratulate Team Summerville (Team Miler) for winning the Summerville Cup against Pine Forest. We were down big after day one but made a nice comeback on day two to retain the cup for the third year in a row. Congratulations also to the 2012 Players of the Year: Overall - Mr. Gary Hartmann and the Senior Division - Mr. Rockie Bailey. Both golfers were recognized for their achievement at the annual Christmas dinner held at the Pavilion on December 11.

We had a great turnout on December 8 for the Hartmann Christmas Open as well as raising money for Meals on Wheels. The next big tournament will be the Superbowl Powerball on February 3. This is a four player captain's choice with a twist, that is followed by an oyster roast. This event fills up fast so find a team or sign up as an individual and let us know in the pro shop -- sign up for the Powerball is available now in the pro shop.

I've had some requests for more sizes in the Under Armour logo fleece jackets and have those on order; they should arrive the first part of January. I want to thank all members for your support of our club and pro shop throughout the year - your support has allowed us to improve operations and bring in a better variety of merchandise. I'm looking forward to continue growing and improving our club and hope to see everyone throughout the holiday season.

IMPORTANT HANDICAP UPDATE

The transition from the GolfNet handicap system to the USGA GHIN handicap service begins at midnight on November 30th. From December 1 to early January, the Carolinas will observe a "Handicap Score Posting Holiday" while data is converted into the new system. Golf Association Services of the Carolinas (GASC) members will not have the ability to enter scores during the posting holiday. Members are encouraged to hold their score cards for rounds played during this period so they can be posted once the GHIN system is up and running in early January.
