From the Office

The new year is rolling along with spring just around the corner--promising sunshine more often than not and daylight savings time beginning March 8th! The course is looking great and weathering the rain pretty well. Our fairway fertilization will take place in mid-February and we are researching options for water drainage on #3.

The annual \$25 GHIN handicap billing was posted this month. This valuable service is available at the club on our posting computer and online at your computer. If you do not wish to participate in this program please drop a note to the office to remove the billing. You have until March 15th to decide and to receive a credit for the charge.

Loyalty points were reset to zero on February 1, 2015. If you paid dues a year in advance before Feb 1st your points should carry over. If you have any questions about your points please call me. The 2015 loyalty point values We are continuing to learn new features of this software and are excited about how much it offers.

A few members have spotted a bobcat near the woods on #12 and #13. What an interesting sight. We have a beautiful sanctuary of wildlife. Enjoy the scenery and especially enjoy your round! We are thankful for each day and for all of you!

Ladies Golf News

No one was more surprised than Flo Smith when she was announced as The Most Improved Golfer of 2014 of our ladies at SCC. The award was presented to her at the beginning of the wonderful and delicious luncheon that was given by the club in appreciation of all the lady golfers who have supported the course in the past and present years. It was such a pleasure to see some of the ladies who are not golfing now but who continue to hold a special place of friendship with those who are still avid golfers.

Our 2014 year of golf has been a fairly wet one, but hopefully 2015 will have mild temperatures and be drier so we can expect a little more roll on the fairways. The course has been kept in such good condition except for those places that have been unavoidably wet due to mother nature, so that certainly makes us look forward to enjoying the course in the coming months. In 2014 we were happy for the addition of a couple of new ladies joining those who regularly play during the year, and we enjoyed the once-a-month couples' evening golf "tournaments."

Knowing we will have some warm days mixed with the cold days of January and February, we hope to see many ladies take advantage of those warm days and play on Tuesday and Thursday mornings at 10 AM. Maybe your name will be on the 2015 award of Most Improved Lady Golfer!

Fortunately February is here but the good news is it's the shortest month of the year so warmer weather is right around the corner. We should have the finalized tournament schedule for the year available shortly with the first major being the Open Club Championship in April.

Also any juniors looking for a great tournament should look at entering the T1D Junior Golf tournament held out here on February 21 - prospective players can find more information in the pro shop or online.

I plan on having more fun one day tournaments this year as well such as the three club challenge, impossible pins par 3 and maybe even one arm challenge (we will be playing for second if Fred enters but it will be fun).

I attended the national PGA merchandise show in Orlando last month and was able to see many of the new products from all the big vendors coming out this year and hope to bring many of them into the shop in the coming months.

One final note - if I don't have to write about another ice storm in the next Bray's Bogey's then we will already be better off than last year!
