From the Office

Fall is in the air and hopefully hurricanes are not! Irma blew through the course leaving debris on many of the fairways. Luckily, our staff and family were able to clear most of the limbs and pine cones in one day. Many thanks to Gay Hartmann and Thomas Brittle who volunteered to help get the job done :) With daylight savings time ending Nov 4, we will start closing the pro shop at 5:00 beginning Nov 1st.

Did you notice the Charleston's Choice plaque picture? We are pleased to announce that we were voted in the top country clubs as the place to be! Thank you all for your support and making it possible!

Our point of sale software recently underwent upgrading which resulted in a bit of confusion with our statements. Detailed transactions are now printing and will show method of payment (cash, check, credit card) unless you charge to your member account. Member charges no longer show a total per invoice. We are working with Club Prophet Systems to resolve this issue and appreciate your patience. Please do not hesitate to call me with any questions you may have about your statement.

The pool is officially closed but remains treated and clear. With the unusually warm weather if you would like to swim, please call the pro shop to make sure it will be open.

We have lots of events in October—please keep in mind that most of the tournament days scheduled will not close the course and tee times will be available.

We look forward to seeing you at the club!

Many thanks--Suzanne

The weather is starting to cool off and October looks to be a busy month for the club. We have two big club tournaments in October starting with the Senior Club Championship and Senior President's Cup on October 11 and 13 - We chose to split the days to keep in line with our normal senior group days. Players 55 and older can participate - all players will play the Yellow tees. Overall champion will be the low two day gross - overall statesman champion will be the low two day gross for anyone over 65 and the low president's cup will be low two day net. The next event, the Annual Cuthbert Cup, is on Sunday, October 29. This is a fun two player Captain's Choice event with two divisions - the Tommy Cuthbert Gross and the June Cuthbert Net - all players are eligible to win either division.

In the pro shop we now carry Wilson Staff - they have a fantastic special right now on the popular Duo golf ball that will run through October - 2 dozen Duo for \$ 30 or 2 dozen Duo Spin for \$35. There will also be some new releases from Bridgestone, Mizuno and Callaway. We plan to have a few sales over the next few months to prepare for the new product lines this Fall and next Spring. Please keep us in mind when looking for clubs or accessories as we can not only custom fit but also offer discounted member pricing on items without a Minimum Retail Price. I hope everyone is enjoying the start of football season and look forward to a great October.
