From the Office

Five fine men - members and friends - passed away recently. Bryan Lenoir's memory was honored on March 22 (1 day before his 50th birthday) at the club by his friends and family playing in the "Sweet Daddy Scramble". He was a treasured friend with an infectious smile to all who knew him. Mr. Bernard "Boney" Jones, Colonel Robert "Bob" Devlin and Mr. Raymond Clayton, Jr., were all cherished members who supported the club for many years. And sadly, Bray's father-in-law, Mr. Dave Ketchens, passed away on March 26 in NC. We will surely miss each and every one of these men and send our deepest sympathy to all of the families. I personally find great comfort in Mr. Boney Jones's favorite Bible verse: "Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving, let your requests be known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus." Philippians 4:6-7

We also want to recognize Mr. David LeBleu 's time served at the club, 14 years! David recently decided to spend more time with his lovely wife, Shirley, and will be available to help with tournaments as needed. We really appreciate him and will miss seeing him at the club each week.

We are super excited to announce we have a wedding in our future! Our youngest daughter, Brianna, was recently engaged to the love of her life, Steven Duggar. We are so happy to welcome him into our family and for the celebration planned for next January.

The Summerville High School Men's Golf team has been playing really well this year. Their schedule is posted in the newsletter. A shout out to one of our cart boys and top five players on the team, Davis Hewett! Go Davis and Go Greenwave!!!

Spring has sprung into full bloom! What a beautiful time of year to be at the club. The greens are in excellent shape as well as the rest of the course. We have made some repairs to the bumpiest of the cart paths and have scheduled a contractor in early April to relieve the water issues on #3. The swimming pool spring cleaning is under way and is expected to open the first week of May. We also have a contractor coming out soon to quote the restoration of the two clay courts. Also, the granite tee markers will be updated and cleaned soon. Many thanks to the businesses that renewed or purchased an ad on the markers. The snackbar has been adding some new tasty items and team trivia is well-attended each date (last Weds. of the month) with delicious meals served by Tom and the country club catering crew. We are excited for the improvements and hope you are too. Please take time to read the enclosed letter about our overall operations and some minor changes that will go into effect April 8, 2019. We thank you for your support and look forward to seeing you at the club.

Bray's Bogeys

March brought us some much better weather highlighted by the March 22 Sweet Daddy Scramble in honor of Bryan Lenoir which saw 136 golfers come out to support the Lenoir Children Education Fund. We were honored to host the event and look forward to next year. April looks to be as busy as usual and the course will only get better as it moves out of the transition period and the Bermuda starts growing stronger. Our first major of the year - the Open Club Championship and President's Cup - will be played April 6-7. There will be a yellow tee division as well for players 65 and older - yellow tee players can still win the President's Cup. The Chick Miler Invitational is also right around the corner. The annual event will be played May 24-26 - members can sign up anytime in the pro shop starting in mid-April.

The loyalty rewarded Titleist special will run through April 22 - buy 3 dozen prov1 or x and receive the fourth dozen free - balls must be imprinted with name or saying of choice. We will have some new demos in the shop for Spring testing. The Wilson Staff D7 line is ultra light weight and offered at great pricing - Wilson is running contest called the D7 challenge where participants test their current clubs against the D7 irons and are entered into raffles for several prizes. The new Mizuno St190 wood demos are also ready for testing.

Lastly I would like to say a final farewell to my father-in-law, Dave Ketchens, who passed away on March 26. Although he didn't play much golf we were able to connect through our love of fishing and visiting new restaurants. He was always a voice of reason to my wife and loved every minute he was around our kids. He will be missed and I'm sure he is already fishing.
