# FEBRUARY 2020 NEWSLETTER

## From the Office

We celebrated the marriage of our youngest daughter, Brianna, to Steven Duggar on Jan 4<sup>th</sup>. We feel so blessed to have Steven in our family and thank everyone for all the well wishes and love shown to our family.

*Loyalty points were NOT reset on January 1<sup>st</sup>. Beginning with 2020, we have decided to let the points rollover each year so no more worries about losing the discounts you have earned. Thank you for your loyalty.*

The USGA World Handicap System is up and running. The pro shop posting computer is ready to go with all the new updates as well. For all the latest and greatest news about the handicaps please visit the website: [USGA.ORG/WHS](http://USGA.ORG/WHS) Your GHIN # and local numbers have not changed. The \$25 annual fee per golfer has been billed to your account – juniors 18 and under are free. If you would like to be added to the handicap system please contact the pro shop. Most local tournaments are now requiring a USGA handicap to play. If you do not wish to keep your handicap active please let me know in writing prior to March 15, 2020, to avoid the \$25 charge. The handicap service is only available to active social or full members of the club.

We are in the process of securing bids for the tennis court patio and clay courts. You should be seeing some much needed upgrades soon. Advertising banners (business or memorials) will be available for display on the clay courts for \$500 - \$1,000 with more information to come in the pro shop soon.

We extend our sympathy to Jeff and Greg Haselden in the loss of their mother, Betty. Betty and Rex were longtime members of the club. Shag DJ Jim Bowers passed away suddenly also. He was a Shag "Hall of Famer" and had a flair for entertaining. He will be missed. We would also like to thank Brooks Moore for replacing the sign on Hole #18 that reads "TOMMY'S BRIDGE" in memory of one of our rangers that passed a few years ago, Tommy Scruggs.

We appreciate all of you and thank you for your support!  
Suzanne

## Bray's Bogeys

The Summerville Cup is back home! Congratulations to all who played on the team and good job. We built a nice lead in the team matches over here and did just enough to hold on in singles at Pine Forest. Thanks to Barry Connor for handling captain duties. We are still planning on adding a warm up area and are open to suggestions as we are trying to figure out which would be the best option. The plan is still to redo court number 3 into a nice tennis court and use court 4 as a possible warm up station. We are also contemplating turning the back half of court 4 into a pickle ball court - we would love to hear ideas and thoughts on this as well. The plan is to raise money for these projects through advertising which would be displayed on the two renovated areas.

In the pro shop we have some of the new 2020 equipment available to demo including - Callaway Mavrik irons and driver - Mizuno every model - Cleveland's new launcher irons - Wilson Staff Model Blades. We can get the best pricing on any item that does not have a minimum retail price - good news is several offers do not have minimum retail!

Lastly I would like to say a final farewell to Johnny Sims. Hole number 1 will be strangely quiet, but I'll always remember his loyalty to our club and friendship through the years.  
~Bray
