

## SUMMERVILLE COUNTRY CLUB

### JANUARY 2020 NEWSLETTER

#### From the Office

The Club's Christmas party was well attended and we celebrated with all of our closest friends and family - thanks to all of you that were able to enjoy the night with us. Little did we know it would be the last Club Christmas party that Johnny Sims and Ellen Styles would attend. We lost both of these dear friends within a couple of weeks of each other. Johnny's daily pro shop visits and Ellen's presence at the pool will both be missed forevermore ☹️ Our deepest sympathy to Eleanor and family and to Brooks Styles and family in your losses. Coach John McKissick passed away on Thanksgiving Day leaving a legacy of inspiring youth to be the best they can be by making good choices and making each day count. Coach instilled the true green and gold traditions in all who had a chance to play and cheer for him. We will miss you Coach!

2020 handicaps will be billed in January. The annual fee will remain at \$25 per person, no charge for 18 years and under. Stay informed of the handicap changes by watching for news bulletins in the pro shop.

Loyalty points were reset for the new year. If you paid your 2020 membership in advance your dues loyalty points will carry over. Please let me know if you have any questions about your account anytime.

I couldn't finish without saying many thanks to Lee and Trae Ray and Tom & his staff for their constant support and hard work in all that they do to keep the Pavilion and Club known as "the place to be and be seen" in social fun circles. We appreciate all that y'all do.

Welcome 2020 – we pray for a happy and healthy new year for all of you and our families - Suzanne

## Bray's Bogeys

We had a great Christmas Party to end our year. I hope everyone enjoyed the food and the Tournament Year in Review. Congratulations to Chris Asbell for winning Player of the Year for 2019 and Gary Hartmann for winning Senior Player of the Year for 2019. I will start fielding our team for the Summerville Cup to be played January 25-26 and plan to reclaim the Cup for 2020.

Our 2020 tournament season will start on February 2 with the Super Bowl Powerball ... a fun twist on our Four Player Captain's Choice. Sign up beginning January 20<sup>th</sup> in the pro shop.

I will have info posted around the handicap computer for the changes to the Global Handicapping System happening January 5. Please be sure to take a look at it. I will be glad to help answer any questions about the system you might have.

I can now fit for the new Cleveland Launcher irons for anyone interested in newer technology at a great price point. We have some great specials right now on Bridgestone JGR Woods. Get a new Driver, 3 Wood, and 5 Wood for less than the price of most new Drivers out at the moment. Also, the Wilson Staff Cortex Driver is on sale for under \$200 ... the Fujikura Atmos Tour Spec shaft in this driver sells for \$100 more on its own.

I'm looking forward to 2020 and wish everyone a Happy New Decade!
