MARCH 2020 NEWSLETTER

From the Office

We are excited to announce that we have contracted with Carolina Sports Surface to refurbish the clay courts this spring. Please take a moment to read the enclosed letter for an advertising opportunity to be displayed on the tennis court fences. We also have other improvements slated over the next few months to include refurbishing the large back patio, installing a new event tent, replacing the event chairs and pavilion curtains, and building a golf warm-up station by the practice green. We will also be moving to an online tee-time service within the next two months. We will keep you posted on the procedure to make reservations online once our website becomes "live." With this added layer of technology we will also be implementing an online email system for you to receive news and specials from the club throughout the month. **If you would like to receive these emails from the Club, please send your email address to me at: sblanton@knology.net**

Spring is moving in quickly and our calendar is beginning to fill up. Please note that most of the scheduled tournaments allow you to play here at some point during the day with the exception of **March 8th-the course will not be open for outside tee times due to completely full fields of golfers – good news for the charities involved ☺**

USGA handicap fees are due to our local chapter by March 31st. We encourage every active club member to join this new global system. However, if you are currently enrolled and would like to be removed from the system please send me a notice in writing by 3/15.

Always thankful and grateful for your support ☺
~ Suzanne

Message from Bo ... #10 will be used as the #1 tee until further notice. We are evaluating whether to make this permanent in the future.

Bray's Bogeys

March begins the transition to Spring and hopefully more consistent weather. We had a successful day for our first tournament of the year, the Superbowl Powerball – thanks to all that played and hope you had a fun time. Please see below for our winners. Our next tournament and first major is the Men's Club Championship and President's Cup. This will be held on April 4-5, the weekend before the Masters. This tournament is always flighted and the President's Cup is our net champion so everyone playing has a chance to compete.

On the merchandise side Srixon is running a great promotion at the moment – buy two dozen golf balls and get a third dozen free – you can mix or match the dozens but the lowest dozen value will be the free one. This promotion will run until March 15. For clubs we have demos available from Mizuno (full iron lineup), Wilson Staff (D7, launch pad coming soon, Staff model), Callaway (Mavrik iron lineup) and Cleveland (launcher and UHX irons). We still have two Bridgestone woods packages left – Driver, 3 wood and 5 wood for \$350 total and includes a dozen Tour B RX Golf balls.

We're excited for the upcoming improvements and hope to have some drier weather to enjoy spring!

\$50 Winner:

Mr. and Mrs. Daniel Simmons

To qualify for this monthly drawing, pay your account in full by the 10th of each month.
