APRIL 2020 NEWSLETTER

From the Office

We are reeling from the ever-changing world events at the present time. My faith will keep me grounded, "The Lord is my rock, my fortress and my deliverer." Psalms 18:2 My prayers are for all of you to stay safe and healthy.

Per the SC Governor's Executive order issued March 31, 2020, golf courses may remain open following all CDC guidelines and a 6' separation met at all times. **Our staff has been unbelievable in stepping up and we couldn't survive the daily grind without them.** We have been practicing all of the necessary preventive measures for public health safety and continue to be compliant with government rulings. Our golf course is open and the newly renovated tennis and pickleball courts will open soon. More tennis information is listed on page 2 of this newsletter. We appreciate **your support** in following the social distancing 6' separation. Enjoy every minute you have with your family - stay calm and informed.

On a sad note-longtime member Ken McDowell passed away in March. His quick wit, laugh and smile will surely be missed by us. Our deepest sympathy to his wife, Jo-Ann, and family. We also lost Dale Loggins and Richard Seastrunk in March-our thoughts and prayers also go out to Kim & Jimmy Watson and to Will & Katrina Seastrunk and their families.

PLEASE Keep Trae and Lee Ray and their staff at Country Club Catering in your prayers – they are out of the event business for the next few months. They plan to post on Facebook "to go" meal deals sold through the Snackbar. I sure miss the delightful aromas from Tom's cooking and the Shag music at night! We must stay strong - Suzanne

Message from Bo ... #10 will be used as the #1 tee until further notice. We are evaluating whether to make this permanent in the future.

POOL – We will continue to prepare our swimming pool for use this summer by our members. We will follow SC DHEC guidelines regarding our opening date.

Bray's Bogeys

The last month has been quite different. We miss the parties and tournaments but understand we must all change in the short term. We are trying to stay ahead of current recommendations for safe enjoyment of outdoor activities. Because of current restrictions we will play the Club Championship / Presidents Cup in the summer or fall - we didn't feel like now is the time to host a championship. We are currently looking at other weekends for the Chick Miler if restrictions are still in place through May. So much is unsure at this time. I hope everyone stays safe and we look forward to getting through these times together.

\$50 Winner: STANLEY TUCKER
