## MAY 2020 NEWSLETTER

**From the Office** – We are continuing to monitor the safety guidelines and pray for a return to some sort of normalcy soon. Please continue to check our website and Facebook for updates on our operation. You may also want to send me an email to establish your correct address in our computer. By the end of the summer our on-line tee-time reservation system should be launched and we plan to send email club updates and member specials. We lost two former employees in April. Jeffrey Knight – a cart boy and player on the Greenwave Golf team several years ago & David LeBleu-a long time pro shop employee & my good friend. Stay strong-Suzanne 2020 continues to be a crazy year but I still have hope things will get better. We still plan on having all of our big events such as the "Chick" Miler, Father-Son/Daughter, and Member-Guest - but dates will be confirmed later than usual. We currently have August 7,8,9 reserved for the "Chick" Miler. One positive through these crazy times is the amount of new golfers we have been seeing. We are all thankful that our members and loyal players have been so accommodating to the new players and also the modifications we have had to make to continue to stay open. Golf club and ball factories will start opening soon if anyone is looking for custom orders. Titleist and Srixon are currently running **Great** specials - Srixon is buy 2 dozen get 1 free and Titleist is buy 3 dozen and get 1 free until May 17. Sadly I want to offer condolences to the families of David LeBleu and Jeff Knight. David worked here many years and was a great help during Chick Miler ~ Bray

### **Message from Bo**
