AUGUST 2020 NEWSLETTER

Have you seen our new golf warm-up tent located on the Pickleball courts?

FROM THE OFFICE-

Mr. Charlie Fowler passed away on July 15. Charlie was tennis pro at our club back in the day when we had an active tennis membership and four courts to play on. I will miss his kindness, caring nature, and friendship - deepest sympathy to Rett & Joanne and Chad & Lisa and their families.

Mr. Lou Moffa passed away on July 24. He was an avid golfer and loyal member and quite the inventor. We will certainly miss him and will keep his family in our thoughts and prayers.

Many thanks to Mark Meyers for sponsoring our 2020 Roy Meyers Junior Open played on July 10.

The 47th Annual "Chick" Miler Invitational kicks off on Aug 7-9. If you love competition this is a great golf tournament to play in. We are working closely with Trae & Lee to ensure COVID19 protocols are met. Many thanks in advance to all of the employees, rangers and volunteers that help make this tournament a success. Stay safe, healthy and keep moving ☺

POOL – Questions about the pool hours?

The pool opens at 10 am Mon-Sat and noon on Sun. The pool closes at 8 pm Sun-Thurs, and 9 pm Fri-Sat. Occasionally pool maintenance will be necessary other than Sunday morning before noon, and we will post a notice on the fence if needed.

With afternoon thunderstorms on the rise, the pool will often be locked up if the guard has to clear members out and exit due to weather. We will re-open per occurrence once the threat has passed.

Pool attendants will be on staff through Labor Day but with local schools and colleges opening on different dates there may be days without an employee present at the pool. Please continue to sign in. We plan to keep the pool open through the first couple of September weekends – of course this may change if the hurricane season affects us.

The 2020 MEN'S CLUB CHAMPIONSHIP & PRESIDENT'S

CUP was played July 26 & 27. Cory Deering claimed his first Overall Men's Club Championship by shooting 66-65 to beat out Jack Ellis 67-66 who previously won the Championship in 2009 & 2015. Christian Woods came in third place 66-71; Christian won the Championship in 2014. Flight 2 Winner was Andy Balao 150 and Gary Hartmann was runner-up 151. Flight 3 Winner was Andrew White 160 and Wayne Mizell was runner-up 163. Yellow Tee Division (Age 65+) was won by Randy Henderson 163, and tied for runner-up was Barry Connor and David Terry 164. Jeff Haselden and Cory Deering

A HUGE THANK YOU TO DERRICK JOHNSON FOR PAINTING THE LINES IN OUR PARKING LOT!!

BRAY'S BOGEYS - Congratulations to Cory Deering for winning the Club Championship and Jeff Haselden for winning the President's Cup. Cory Finished with rounds of 66-65 for an incredible total of 11 under - he held Jack Ellis off by 2. Our next major is August 7-9 - The Chick Miler Invitational. Tee times and pairings may be modified this year due to the pandemic. Also, all tournament event food will be prepared and pre-packaged by Country Club Catering instead of the usual self-serve stations. We expect a fun, competitive weekend and will make the necessary modifications to make it happen. Match Play is moving along - we are almost to the final four. Remember if you lost the first round you get another chance in the second chance bracket posted by the original bracket. Lastly, I want to offer condolences to the families of Charlie Fowler and Lou Moffa - this has been a rough year but I'm still looking forward to better times.
