JANUARY 2021 NEWSLETTER

FROM THE OFFICE- I am prayerfully looking forward to a happier new year for all of us! We must stay strong and continue to follow safety guidelines the CDC recommends to get us to the home stretch of good health for all.

December 2020 was a particularly rough month as we lost some more dear friends. Bob Flowers was a mainstay of the club and a SCC golf member for 39+ years. Bob passed away within a few days of Gary Bailey. Gary was an avid Greenwave and Clemson fan and did such great work for us on the golf course helping with drainage, bridges, and whatever we needed. Rob Beauchene and Basil Ammons just passed away also – both former members and great guys as well. Our heartfelt sympathy goes out to all of the families during this sad time.

Bo and the golf course staff will be working on a few projects this winter and appreciate your help in keeping the course in shape by following cart path rules and raking traps.

We are hoping to move to our online tee sheet by early Spring- definitely a work in progress! Thank you all for your loyal support!

“Not that I speak from want, for I have learned to be content in whatever circumstances I am. I know how to get along with humble means, and I also know how to live in prosperity; in any and every circumstance I have learned the secret of being filled and going hungry, both of having abundance and suffering need. I can do all things through Him who strengthens me.” Philippians 4:11-13

The 2021 GHIN Handicap Billing will be posted in January to active club member accounts who are currently on the handicap roster. The fee will remain \$25 per golfer, no charge for juniors under 18. Call the office if you would like to sign up for the service. If you plan on playing in the Chas. Area Men's Interclub events you must have a club handicap established.

 2020 was a very stressful year and we could not have made it without all of your support. **We are truly thankful!**
Happy New Year!

BRAY'S BOGEYS I hope everyone had a Merry Christmas and wish for all of us a happy new year. I know I'm looking forward to 2021. We cannot be thankful enough for the support this year as golf continues to be one of the safer activities during these troubled times.

We are still planning to have the Summerville Cup (vs. Pine Forest) this year but will cut out the indoor gatherings. We are still trying to figure out the best way to do the initial pairings whether by blind draw or a zoom meeting. Please let me know if you're interested - priority will go to last year's players first but I know we will need some new players for this Ryder Cup format golf competition. Our first tournament of the year for "player of the year" points will be the Super Bowl Powerball on February 7 - captain's choice with a twist. To adhere to social distancing after play this year we will be doing a "to go" low country boil Instead of an oyster roast. Sign up as a four player team in the pro shop.

Golf club and equipment manufacturing are getting caught up, but I still expect shipment delays through at least spring 2021. I am trying to rotate merchandise in the pro shop as best I can to keep different options available. Lastly, I want to once again wish everyone a Happier New Year!
