APRIL 2021 NEWSLETTER

Notes from the office –

Summerville is growing rapidly as we are staying busier than ever and seeing new faces almost daily at the course. We appreciate your patience and encourage you to reserve your tee times up to ten days in advance. We will revisit our online tee-time system this summer with members receiving plenty of notice before we go live on-line.

We are raffling a set of Orlimar *SAME LENGTH* irons - 5-9, PW, and GW - generously donated by Mike Shaw. Tickets are \$2.00 each or 3 for \$5.00. The drawing will be held on Master's Sunday, April 11, at the conclusion of the final round. You do not have to be present to win.

As COVID vaccinations are becoming more available I pray for our continued return to "normalcy" and our good health. Enjoy the beautiful weather and "make every moment count." © Suzanne

Wishing you and your family a peaceful and Happy Easter!

"I am the way and the truth and the life. No one comes to the Father except through me" (John 14:6).

A NOTE FROM BO

Our course maintenance crew is outstanding and we are fortunate to have such a hard-working staff to keep our greens, tees, fairways and roughs in great shape. We are looking forward for our newer model greens mower to arrive, hopefully by early summer.

We have added sand to all of the traps and are working on drainage and irrigation. We really appreciate your help in avoiding the roped off areas as we are constantly working on storm water run-off in our low-lying areas.

The result of our new poa treatment that was applied three times over the past six weeks is anxiously being observed-the process is a delicate balance between timing, weather temps and rain.

Rakes have been replaced in the bunkers and we ask that you help us out by raking your steps if you land in the traps. We will not be replacing the water coolers on the course.

Greens aerification is set for June 1, 2021. The course will be closed that day.

BRAY'S BOGEYS

March gave us great opportunities to get out and play and April looks to be even better. The Masters is back in April this year and always seems to inspire all of us to get out and play more. The supply chain for golf is unfortunately still a little behind but there are currently some great deals to take advantage of while manufacturers get caught up. Titleist and Callaway are both running buy 3 dozen get 1 free on their premium balls - lead times are currently around 6-8 weeks and orders need to be placed by April 18. We are still waiting on some of the new merchandise to come in but I expect by mid-April to have some new clubs and accessories in the shop.

Our first two major club tournaments are coming up in May with the Club Championship May 15-16 and the Chick Miler May 28-30. Match Play is scheduled to begin in June.

Happy Easter to everyone and I hope the Masters gives us an exciting start to Spring.
