NOVEMBER 2021 NEWSLETTER

Notes from the office –

Fall has arrived – remember to set your clocks back on the evening of November 6th.

On a sad note, Carol Emery passed away in October. She was an “Angel on Earth” who cared deeply for her friends and family. We send our deepest sympathy to her husband, Doug, and to all of her family.

Social events are picking up and we hope you have the chance to attend some and/or to play golf in some of the tournaments scheduled in November. Many thanks to DJ Tom Garland for hosting our Trivia night the last several years. He hosted his official last DJ Trivia night on October 27. Tom’s “retiring” as a DJ and hopes to play more golf.

Count your blessings daily and enjoy time with your family and friends. We have so much to be thankful for each day. Enjoy every moment! Suzanne

BRAY'S BOGEYS

October was a great month for golf and hopefully the great weather continues into November. We will be holding the Senior Club Championship on **November 17**. This will be a one round post-flighted event. Eligibility is 55 or older - everyone will play the gold tees. There will be a Senior President's Cup Champion as well (low net).

Congratulations to Jack Ellis and Christian Woods for winning the Tommy Cuthbert Low Gross Division with a team low gross of 56. Sharon and Steve Cotter won the June Cuthbert Low Net Division with a low net of 62. Many thanks to all the golfers and sponsors who helped raise over \$5,800 for the Tommy Cuthbert Scholarship fund awarded by the Dorchester Free School Board.

Merchandise and equipment shipments continue to be hit or miss - most companies have a timeline for product availability if anyone is interested in special orders for the holidays.

As always we will be have sales during Thanksgiving weekend on items not under a minimum retail pricing policy. I hope everyone has a great Thanksgiving holiday!

Daylight Savings Time Ends on November 6th-set your clocks back.

SAFETY FIRST: Please drive carts slowly when approaching the clubhouse.

REMINDER: Rakes have been replaced in the bunkers and we ask that you help us out by raking your steps if you land in the traps. **ALSO, please exit sand traps from the side or back to avoid greenside bunker lip damage.**
