APRIL 2023 NEWSLETTER

FROM THE OFFICE-

We lost another neighbor last week – Shirley Frampton. She was a wonderful mother and friend and we will cherish the many fond memories of all our kids growing up in the Miler “hood” together.

Hard to believe we’re thinking about the pool season already. We plan on having it ready to open by mid-May and will post a note in the pro shop when we do.

The golf course is beginning the transition of growth. It has had its challenges with the roller coaster temperatures. Bo and his staff are working hard to make improvements to our tees and greens and we appreciate your support in their efforts.

Bray has fully stocked our pro shop with new spring merchandise making it a great time to redeem some loyalty points. He also has a lot of new demo clubs – call him to set up a time to try them out.

We will be open on Good Friday regular hours but will close the pro shop at 4:00 pm on Easter Sunday. Last cart will be rented at 4:00 – walking allowed after 4:00. We wish you all a blessed Easter and precious time spent with your loved ones.

Thank you all for your support and friendship!
☺ Suzanne

*Oh what a beautiful day!
Happy Easter!*

BRAY'S BOGEYS: April is here which means the grass is finally starting to come out of dormancy and the Masters is right around the corner. Speaking of majors our first major will be the **50th Anniversary "Chick" Miler Invitational to be held May 26-28**. This should be a special event as it also coincides with **50 years** of my granddad, **Bufort Blanton**, owning this club. Members can sign up starting April 28th with payment due at sign up to reserve your spot. The second major, the Club Championship (rescheduled from March), will be played **June 17-18**. Match Play will also begin in June with more info available in the May newsletter.

We have 7 tee boxes we either widened or rebuilt that will be ready to go by the Chick Miler. We appreciate your help with using the temporary tees set up.

Anyone looking for a great entry point for home golf simulation please call or text me - I have a Foresight GC2 launch monitor for sale. I also have a spare graphics card - GTX 1660 Super - that will run the software if needed as well. Update on current demo Woods - we have Ping G430, Wilson Dynapower Carbon and Srixon MKII woods all available for demo use inside.

Our new logo hats including the retro logo from Kings Grant days will be in sometime in the next few weeks - I'm excited about the new looks and trying to keep our logo fresh. We're all excited about the upcoming season and hope everyone comes out and enjoys the spring weather!
