

LOWCOUNTRY ANIMAL RESCUE

Our network of foster homes takes in abandoned, lost, neglected and abused dogs and cats (and an occasional hamster, ferret and guinea pig). We handle many different medical conditions, spay/neuter and administer appropriate shots and microchip every animal before it leaves our care. We educate the public on spaying/neutering to help prevent overpopulation and promote responsible pet ownership. Also, we are often called upon to help shelters in animal hoarding and abuse cases.

Animals are available for adoption through our weekly Adopt-A-Thons and website. Cats available 7 days a week at Petco on Rivers Ave.
