SEPTEMBER 2023 NEWSLETTER

FROM THE OFFICE Mr. "Jimmy" Harrell passed away on August 10th. He was a long time member of the club and dear friend of the family. He will be missed! Our prayers are for God's peace to comfort his family as they go through this difficult time.

The pool will remain open through Sunday, September 17, with regular pool hours (weather permitting) promptly closing at 8:00 pm each night. PLEASE keep in mind that lifeguards may not be present at our pool on a daily basis-especially during the week.

Hurricane Idalia blew through quickly reminding us that the weather can change in a flash. Many thanks go to the golf course staff and the volunteers who helped with course cleanup the day after. **WEATHER SAFETY REMINDER:** If you are at the pool without a guard present **PLEASE** pay attention to the pop-up storms with thunder and lightning. If a storm is approaching the pool, the deck and covered area should be completely cleared. Exit to your vehicle or to the clubhouse. We also ask that **golfers pay attention to the skies for approaching storm cells and to seek shelter at the clubhouse if lightning is nearby.** The pro shop will sound an air horn (if before 5:30 pm) several times if we need you to come in. **If you see lightning nearby PLEASE do not wait on the air horn to sound to come to the clubhouse.**

We have the best employees ever and we are so thankful for all of them! We make a great team and are truly blessed to work together to make Summerville Country a great place to be! Enjoy every day - one day at a time – Suzanne 😊

BRAY'S BOGEYS: The heat is finally subsiding a little and we are close to the best golf weather of the year. With football starting Saturday afternoons should be a great time to play if your favorite team has an off day.

Sometime in the middle of the month we will have new Adidas shirts coming in with our retro logo - feedback from the retro logo has been very positive which is nice and gives me a chance to keep our logo merchandise from being the same over and over. We also have two new styles of Asics golf shoes in the shop - if we do not have your size or style you like I can always place a custom order - this applies to Footjoy or Skoni shoes as well.

On the tournament side we don't have any major events scheduled for September but keep your calendars open for the **Cuthbert Classic on October 22.**

Jess Cuthbert is the first to the final four in the match play and will be rounded out by three more players this coming week.

We were fortunate Idalia was mild and hope the coming storm season is kind!
