BRAY'S BOGEYS: I hope everyone had a happy **Thanksgiving** and enjoyed the great weather of November. December should be an exciting month. As always I am looking forward to our end of the year party where I will do a golf year in review ending with our awards for the year.

I have ordered several new merchandise options with our new retro logo and am going to try to keep new options coming throughout the year. I have been approached about logo headcovers - driver and putter mainly. Please let us know if you would be interested and I can order some for the shop. Wilson is currently rolling out a new fitting system based on AI - this system will analyze every swing taken and constantly be "learning" and updating to keep golfers in the best equipment for their style of swing. I will be trained in this system and have it ready to go early next year. We are extremely thankful for all of your support this year and I wish everyone a
